Conference Objectives

This is a practitioner-based education and training opportunity in the area of and relevant to the treatment of co-occurring mental health and substance use disorders which will assist the participants to:

- *Increase knowledge of the treatment of co-occurring disorders.*
- *Explore strengths of all disciplines in the treatment of co-occurring disorders.*
- *Promote evidence-based practices of co-occurring disorders.*
- *Support development of skills and understanding of co-occurring disorders and treatment through shared experience.*

Conference is designed to provide a total of 10.5 Continuing Education Units. Conference content is intended to meet the requirements for co-occurring disorder training for Rule 31 licensed programs.

CEU's have been submitted to:

- Minnesota Board of Behavioral Health and Therapy
- Minnesota Board of Social Work
- Minnesota Board of Psychology
- Minnesota Board of Marriage and Family Therapy
- Minnesota Board of Nursing
- Iowa Board of Certification
