

CASE MANAGER

South Central Human Relations Center is accepting applications for a full time adult mental health case manager. This position includes working with adults with serious and persistent mental illness, providing case management, community support and some ARMHS programming. SCHRC is a comprehensive community mental health center that provides a full continuum of care.

Requirements: B.A. in human services or related field; one year supervised experience in mental health; good communication skills; and ability to manage multiple priorities in client care.
