

## CASE MANAGER/LICENSED ALCOHOL AND DRUG COUNSELOR

South Central Human Relations Center seeks a full time case manager/LADC to join a multi-disciplinary community mental health center in service for over 45 years, with over 100 employees. This position, with our Project Home program, will provide case management services within a regional Supported Housing program for homeless single adults and families in a 5 county area.

A Bachelor's degree in a Human Service field PLUS one year or supervised experience in mental health/chemical health field. A Licensed Alcohol and Drug Counselor (LADC) is preferred.
