

JOB DESCRIPTION

Title: Tenant Coordinator	Division/Department:
Department: YOUNGDAHL LIVING	FLSA (Fair Labor Standard Act) Status: Hourly
Reports To: Director of Community Programs	Employment Status: PT

SUMMARY

This position is responsible for providing assistance to residents/tenants in understanding and complying with their obligations under their lease with Lloyd Management for their stay at Youngdahl Living. This position will provide direct communication and coordination with property management. The Tenant Coordinator will monitor client rent payments and lease compliance issues. The Tenant Coordinator will track, enter, and provide needed data and reports for the funding entities. The Tenant Coordinator will complete apartment inspections as determined by Lloyd Management. The Tenant Coordinator will assist the residents in understanding their leases and tenant responsibilities and will act as a mediator to the property manager, service provider as well as to neighbors. The Tenant Coordinator will promote programs and activities that support community building and assists the residents in developing social skills and feeling a part of the community. The ultimate objective of the tenant coordinator will be to assist the residents in maintaining housing with the focus on eviction prevention.

Youngdahl Living is a "Program Housing" model that promotes a safe, respectful, and supportive living environment for individuals with a serious mental illness, with or without chemical dependency, who have a history of unsuccessful community living. The person that holds this position must have a *philosophy of promoting and fostering housing stability for the residents*. The Tenant Coordinator will encourage the residents to utilize the services that they would not have sought out if they weren't readily available onsite and they did not have a relationship with the provider. It will be essential for the Tenant Coordinator to gain the trust of the residents and establish relationships with the residents with the understanding that they will need to meet the client where they are at currently with regards to their desire to change. This model will use a philosophy that promotes and fosters housing stability for the residents
