  - d. Discusses options with client regarding mental health programming.
  - e. Ensures that proper releases of information are signed by the client.
  - f. Consults with the referral source about the client, if necessary, and if the client has signed a release of information.
  - g. Decides if referrals are to be recommended along with other programming and makes the referrals with the client's permission.
- 2. Prepares an individualized program of therapy for the clients.**
  - a. Develops an Individual Treatment Plan (ITP) for each client that is participating in the therapy process.
  - b. Ensures that client has agreed with the ITP and has also signed their name to the goals accordingly.
  - c. Maintains contact with other providers that are working with the same client.
  - d. Reviews goals and other plans for client as needed, but at least every 90 days.
- 3. Provides therapy to clients through a variety of modalities.**
  - a. Familiarizes self with various programs available for clients locally and regionally.
  - b. Provides on-going therapeutic programming with modalities that are evidence based and in compliance with SCHRC standards.

- c. Assists clients who are in need of other outreach programs.
  - d. Provides clients with options for psychiatric consultation and medication management, when necessary.
- 4. Maintains EMR records, files, and other paperwork to be in compliance with HRC Rule 29 policies.**
- a. Documents daily contacts with clients and enters the information into EMR.
  - b. Completes all pertinent client information such as intake summaries, ITP, testing information, correspondence with other sources, closure notes, psychological evaluations, etc. in the client's EMR.
  - c. Maintains compliance with SCHRC and HIPAA regulations regarding confidentiality of data and records.
- 5. Provides consultation and recommendations to other HRC staff members and other agencies.**
- a. Participates in staff meetings on a regular basis, bringing at least one case for consultation to each meeting.
  - b. Provides consultation and recommendations to community agencies and referral agencies.
  - c. Remains in contact with referral sources, providing follow-up information regarding each case.
  - d. Completes mandated reporting of child abuse and vulnerable adult abuse verbally and in writing to county human service agencies.
- 6. Deals with client emergency situations during work hours.**
- a. Accepts emergency appointments during regular work hours as needed.
  - b. Consults with others for urgent and emergency cases as needed.
- 7. Conducts psychological tests as a diagnostic tool in determining treatment programming, as needed.**
- a. Administers and interprets a battery of psychological instruments to children, adolescents, and adults.
  - b. Completes psychological evaluations for external and internal referral sources.
- 8. Completes assessments/evaluations requested by referral agencies.**
- a. Accepts cases in therapist's area of specialty and expertise from referral sources.
  - b. Completes psychological evaluations or specialty assessments and sends out to the referral source.

## **SECONDARY RESPONSIBILITIES**

1. Performs miscellaneous projects and completes various tasks as requested by management.
2. Participates on various committees when deemed appropriate by the clinical supervisor.

3. Assists in public relations for SCHRC in many ways while dealing with others in the community.
